Dear Alice

I'm writting you a letter so you have to write one to me. You will have to excuse the writting because I'm in a hurry. Two days before ~~Conf~~ Conformation I fell down and hurt my knee. I couldn't kneel on it Sunday. We get up about nine and ten now and enjoy ourselves as much as we like after we do our work. I'll sign off now because Aunt Mary will be going.

Love

Helen Cecilia

P. S. Ans. right away and C. wants you to send her the code.
