

Dear Alice.

Easter Greetings to you to Maurice
and to the boys, also to Arnold and to all
my dear relatives.

Please greet Sister Clarine for
me, too, and tell her that I met a
Sister Paulette, B.V.M. and she inquired about
her. Sister Paulette teaches High school
here in St. Paul now, but years ago she
taught school in San Francisco and The
Seibel girls were students there..

I am getting along fine and the
beautiful weather permits us to get out
for our daily walks.

In a month or so school will be out
and I presume that you will be planning
a vacation for yourselves and the children.
May it be a joyous one.

Ever yours in the Risen Christ,

Sister Elise
