

Dear Alice Maurice
and the Boys,

This note is the "six
week Lenton-break" so
that you will know that
I am well and have escaped
the "flu" so far, even tho
many of our sisters have
been laid up with it.

Receive the
"Monitor" regularly and
do appreciate all the good
information I get from it.
I thank you much.

I hope that you and
all our loved ones are in
good health. May God
continue to bless you
abundantly.

Love to all

Sister Elise Foley
