Dear Alice, Maurice and Tommy:

Thanks much for your card. Was glad to hear that Sister Mary Clarine had visited. And I do hope that Thomas Patrick was on his best behavior. A little kidie was telling me that he is almost at the window-breaking

age.

Our winter has been quite mild, thanks God. Not much snow and a little California sunshine.

Will the change in administration affect you Maurice?
How about telling the new President that you should inspect the
Boston Postoffice.

My kindest regards to you and all the folks. I still
treasure my happy stay on the West Coast.
Asking a prayer.
Sincerely in our Lord,
Father Peter
