Dear Alice and Maurice,

We received your registered letter in time and thank you very much for the same.

Unfortunately I was laid up in bed due to fever but now I am all right.

At Christmas mother invited all her children, mates and grand children around here for dinner to her house. Fr. Dennis was here the other day. He arrives again only on 25<sup>th</sup> morning.

Joyce is not feeling good. She is expecting a third

child after some 6 months. She is frightening about it because last was a caesarian delivery. Due to my father's demise and etc she had to travel to and fro — undergo another operation on the womb.

My auditor informed me that Maurice's explanatory letter helps a lot and is very good.

soon we will be again inviting Marglin and Jack to our house for a long visit. I am now very stout with 176 pounds. It is too dangerous but I don't know what to do. By the way Alice what about Jack Lielan's body body
