Dear Alice, Maurice & children,

It is a long time since I had any letter from you. Before last Christmas I went to Cape Commenion. There I looked in many shops but I did not buy anything. Those things were not of a good quality and very poor compared to what we have in Fishermen's wharf in San Francisco.

How is my dear <sup>Maurice</sup> ~~Maurice~~

Is he keeping on well. Give our love and regards to our young couple. How is our young new brother at the seminary. Please extend our love and regards to him also.

At the end of last month Joice had an hernia operation. There were five growths in the intestine. The person who operated was Dr. Raeder an American Salvation Army promoter. Now everything is alright and so she is taking rest for a

few months rest. She  
is with her mother in  
Villnkeery in another state.  
By the way my father-  
in-law expired due to heart  
attack on November 7th. He  
was a wonderful person. Please  
tell others to pray for him too.

Now we are on war with  
Pakistan. It seems President  
Nixon is not with us. Any way  
I hope there are many Americans  
over there who favour India's  
stand. This year instead of  
sending Christmas card  
I am sending to you  
a letter, when I can write  
more details.

Merry Christmas &  
A Happy New Year.  
Love Clarence & Family.
