

7th ^{of} January '60

Dear Mr MAURICE MURPHY & ALICE MURPHY

It was the night of the 26th December that I had the happiness to receive your loving message and letter from America. Kindly accept our sincere thanks. As soon as Xmas approached I hastened to write a letter to you but my ~~un~~expected journey home and to the Inspector's office interrupted my pursuit. The guardian angel direct each one of us right to the altar of the Infant Jesus is well represented in your greeting card.

Philip walks from the 10th month. He is very active like your son and always doing something that gets him in hot water. He likes to handle new things, imitates reading and writing and picks his food whenever needed. I shall send his snap in the next vacation.

How nice it is to be in the Cubs about from the third grade. Hope he is improved with his natural instincts.

When are you going to take Philip to school. Do you begin a second language from the lower grades. ^{father} Dennis tells about you often in his letters to me. He writes seldom since he landed in Lake Shore Ave. I am expecting his letter this week. I will convey news about you. Please tell Clarence to write me about his new course of studies. He seems to be enjoying due to the company of two younger boys. How is his Ma'am. Mother told me ~~she~~ is sick in the hospital. ^{Mother} complained ^{to me} he is ~~not~~ interested in amusements rather looking than taking better care of his Ma'am. She wrote him advising him to be very grateful and punctual in the discharge of his duties.

Here is father Dennis's letter. Clarence's Ma'am is back from the hospital. Clarence is looking after her. I ^{will} write about you in my reply to him. We enjoyed with the children on Xmas day. The car and the visit of the Xmas father were the gayest. We are working for the

the success of the Allies the Congress
the P.S. Party and the Muslim League
The W.A. (women association) is working
in every ward. Voting is to take place
in the whole state within a day,
the next day counting and
announcement in the following day.
The communist party is also working
very vigorously. Most of the work is done
at night.

The election is to set up ^a
new govt. ^{it} falls on the 1st of February

Please give our
best compliments and love to ^{Mr.} Morris.

I forgive ~~us~~ for not
writing to you so long. Now a days
I am busy with paper correction. We
have to finish a vast portion before
the school year ends. I thank God
I got a new servant. She is giving
me some rest.

Sebastian and the
kids are o.k. He is working hard

I am stopping for
the present. My best compliments
and love to all in the family.
affectionately
Sebastian Daisy & family
