Dear Maurice & Alice,

Thanks for your most recent letter, and the enclosed check of \$5, and your request for a Mass for the recovery of Guillermo Gonzales.

I was sorry to read of your fall in the basement. Thanks be to God that you are all right now!

Your words about your daughter-in-law in Ireland reminded me how in 1983 I and my two sisters rented a car at the Shannon Airport, and then toured Ireland for a week; we failed to find relatives in County Donegal.

May God bless you!

Fr. George Carr, O.S.M.
