Dear Maurice and Alice:

A happy St. Patrick's day to both of you! I received your most recent letter and the enclosed \$5-Mass stipend. Thank you!

Winter weather is still hanging on here in New Mexico. Last Sunday I drove up to Cloudcroft (at 9000 feet) to say the 9:30 a.m. Mass. All through the Mass it was snowing, so I had to brush off an inch or so of snow from the windshield. Coming down 17 miles I followed a snow plow at work; even so I slid off the pavement a few feet, but back onto it again. Lent is going along all right. May God bless you! Sincerely,

F. George, O. F. M.
