Dear Maurice:

Thanks for your kind note. Glad to hear that all is going well. Am up here in the Bronx in a messier. Fr. Moir is with me. He sends best wishes to you. My congratulations on your elevation to the high post of corporal. M'Arthur had better watch out -

We have been kept quite busy - From here to Jersey - then on to Boston. Just one railroad after another.

My kindest regards to Alice and the folks -

In our Lord, Father Peter
