

Christmas Season
1971

Dear Alice, Maurice and Family,

Your Christmas Greeting card with the cheerful note reached me about an hour ago, after threading its way across the states, in the midst of a heavy snow storm. "The snow began in the gloaming and busily all the night was heaping grounds and highways with a silence deep and white." All our pine trees on the campus look like decorated Christmas trees.

I am glad to know that Tom, Elaine Sean and Philip could be with you for Christmas. You seem to be a very united family.

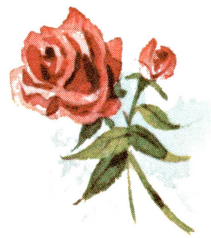

Earlier this month I received a nice letter from Elaine with a picture of their lovely boy enclosed.

I am very thankful for your money-gift. You have been very kind to me, and the "Monitor" which comes to me weekly, is a real pleasure for me.

May the New Year be filled with Blessings for you and all our dear ones. I keep you all in my heart and prayers.

Sister Elise Foley
