Dear Alice, Maurice and
Family,

It is a beautiful
spring morning
and now since I have
finished my chores
among them was the
cleaning up of my
little, old typewriter.
With a little oiling it
will give me good
service, when my
fingers get too stiff
to hand-write.

Yesterday, the
Feast of St. Joseph,
we had a big
celebration here

for the Jubilee
sisters, the Silver
the Golden, the
Diamond. I have
been all through
those stages and
am now waiting
for my final
Jubilee in Heaven!
You are all invited
to attend. I hope
to be right there
to greet each and
every one. What
an Everlasting Jubilee
it will be for
all!

"Those who hope
in the Lord are not
confounded."

One of the sisters came
in to my room a
few moments ago
with some pretty
flower cards that
I can use for the
one I make. I kept
busy. Some of the
Sacred Heart badges
that I made I am
enclosing for your
missionary work.
I know that all of
you are mission-minded,
doing all that you can
for others. I thank
God's blessing upon
you and yours.
