Dear Maurice

A wee note to thank
you and yours for your kind expres-
-ion of sympathy in sending a Mass
card for dear Maurice soul may
he rest in peace, he died suddenly
and never complained he even
hadnt a heart condition he was
in perfect health at 4 o'clock
in the afternoon, he went up the
field to see cattle, and his son
Maurice found him dead there an
hour later, I am shocked and grief-
stricken at the moment it is hard
to forget a sudden death I hope he
is in a happy home in heaven, he
was such a loving husband God bless
