Hello Darling Rita:
up at 5¹⁵ & went to
the (head) toilet & wash-
room and then helped
with the usual cleanup
work around the bunk-
house.

How is your cold coming
along? I hope it has
completely gone.

Most of the fellows
here have colds due to
the change from the
climate. They are used to.

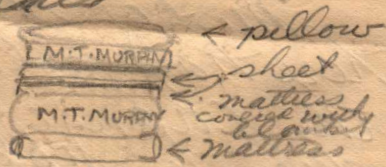

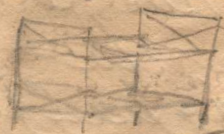

The weather here has
been damp & raining this
present week.

Most of the members of
this platoon are from
18 to 20 years old.

For breakfast today
we had scrambled eggs,
hot applesauce, potatoes,
butter (at every meal) milk,
musk & coffee.

We went to bed last
night at 9:30 P.M. We
cannot make down our
bunks until after roll call
which was 9:20 P.M. last
night.

Our bunks look some-
thing like this

Though the way the bed is made
during the day, the mattress is
folded in three, the blanket is
rolled around it with name out
the sheets are folded in a triangle

and placed between folds
of blanket then other
blanket is folded with name
out and placed on top
of mattress fold & pillow
on top of that.

When we make the bed
down for Sunday we
lay mattress out flat,
put on one sheet, then
the other, then one blanket
with our name showing
at the foot of the bed,
then other blanket
folded with name out
and placed under
pillow.

So you can see we get
to be good hands at

chambermaid.

We were out for about
three hours of drill
& just returned. The parade
ground was all wet and
the sky above was very
cloudy & threatening.

It is now 11²⁰ am &
we should have mail call
& then lunch @ 11³⁰.

I hope my dear
wife sent me a letter
today. Yesterday I
missed one but realize
that with your duties
at Air Craft Warming, work
& house work, I can expect
to miss a day on the receipt
of mail. So dear Rita, all my love
& affection for my sweet heart
Maurice
