Dear Alice, Maurice, Tommy and Philip;

By the grace of God we hope that you all are doing fine. Three months ago we lost our dear father. In September we admitted mother in a hospital and she was there about a month.

Now we have another daughter too. Joyce had two operations since her delivery. Any way we all are doing fine. How are the studies of Tommy and Philip. After a couple of months we will start to construct a house for us. While Fr. Denis was in Bombay our father passed away. But

he reached home a day before his burial. How is the work of Maurice connected with real estate. Had he any promotion in that job.

With every good wishes

for Christmas and a

Year of happy days

With love,

Joyce and Clarence
