Dear Alice, Maurice, Tom and Philip

Since I received your
only explaining that
gift tax stamp paper, my
auditor and later the officer
satisfied with it. After that
I sent a thanks letter to you.

But we are very anxious
about your health. How is
Maurice's real estate work.
I hope the smart Maurice
got a promotion in this work.
Alice are you still busy
as you were when I was there
selling encyclopedias
volumes. Mom (Mary McAleer)
had two sets of encyclopedias

volumes, but I gave every-
thing to Vincent De Paul -
when I moved from 2476.
Those valuable books I could
have taken back to India
It was a folly.

Alice, do you know
that we have a new baby
boy. We named him as chryso-
but I call him as Jose. The
delivery was very complicated
and so the doctors operated her.
It was very painful but
Josee was a little happy
because the baby was a boy.
My oldest daughter Linda
is 5 years by next January.
Then I admit her in 1st standard

Now she is attending kindergarten
We admitted Tima also in
kindergarten in Nov. last.
Both are studying in English
medium. So after a few
years they will write to
you in English.

How is your new President
Richard Nixon? Now ever
one is going to watch his
administration. Anyway we India
like Nixon now more than ever.
Please give our love and regards
to all. Now it is almost
Christmas time and I wish
you all

Merry Christmas
&
Happy New Year.
love,
Joye, class teacher of children.
