Good morning sweetheart.

Just come over to start work & find no letter from my darling although there are four pouches here & surely I should find one.

Dear I'm still waiting hopefully for the announcement that will transfer me to S.F.

Must get to work now so I'll send you all my love, hugs, kisses & devotion.

Love you deeply, sweetheart
I yearn for you
G.I.L.V. etc.

All my love Teta,
Naurell
