Dear married

This is the life —
Convention all over and
paid cash by the Institute
so cant sick very much

The worthy delegates
from mission will return
with two grand officers
due to their untiring
efforts and their great
political powers.

Chief was duly elected
Grand President and

one of the gang. Cliff and
Jim Drury send their
hello as well as Chief
and Gus and, please
say hello to your ma
and pa and the
brother and sisters for
me. The party is
returning Sunday morning
but I think I will go
on to L.A. to see my
older brother. Have a
sale for our old drums
and uniforms to Rio Vista
Council so Cliff will
tell you all about it
when he sees you.
Well Maurice guess this
is all the news for a while
will see you soon
your pal
Joe

I told them to do it for themselves personally so expect big things when they return

We had a minstrel show the other night and Joe was a red-headed nigger - imagine that -

We are going to have a hot dog party to-night and wish you could be here to enjoy it -

Father Berger is running around without any coat or collar and looks like a regular idiot and is certainly

Geo Regan, grand treasurer All in all it was very very fine and a great education and inspiration to all of us.

Father Bergen arrived last night just in time for the banquet and we were certainly glad to see him and have him with us - the only thing missing now for a good time is Maurice Murphy and I sure wish you could be here too -

Letty Jones & Genevieve Manning are up here also and told me to sure give their love to you
