

8/1/33,

Dear Alice & Maurice

I have just come in from work and have little time before supper, so, I thought I'd write to you.

A priest came to the camp Sunday night, and stayed here over night to say Mass Monday morning. I went to Confession Sunday night and Holy Communion in the morning. I also served Mass with another fellow. From now on there is going to be a priest here to say Mass on Monday morning.

Saturday I was on K.P. again. The only good thing about

it was that I got plenty to eat.

I am still working on the
bridle trail, but there has been
a rumor going around that
our gang is going to be taken off
to clear up the forest and cut
wood.

I just finished eating so
I'll begin where I left off.

I'll only be able to send
a money-order for \$3.25 this
time. Next time I hope to
be able to send about \$3.75.

I guess that is all I can say
for the amount of room left on
the paper.

Your brother & brother-in-law,
Arnold.
